Listen to the British Council's most popular English learning
podcast series, LearnEnglish Podcasts, on your mobile device!

The app helps you learn everyday English by providing over 80
episodes and over 20 hours of free listening about a wide range of
topics, as well as great new features that help you listen and
understand the conversations.

In each episode, podcast hosts Tess, Ravi, Adam and Rob chat with
different people to talk about everyday topics such as their
favourite celebrities, making plans for the weekend, having a
dinner party and which cities they like to live in.

## Listen, read and check that you understand

In every episode, listen and read along with a moving audioscript.
The audioscript gets highlighted to help you focus on listening.
Comprehension questions come with each episode so that you
can check your listening and whether you understand the
conversation.

## Features background playing and offline access

The audio plays even when the screen is turned off. You can also
